Personal Development

Through ADEM,  
learn how to boost your application in English!

This programme is aimed at jobseekers registered with ADEM and supports them in improving their professional application and interview skills, using Business English.

## Programme content

- Business English: Participants registered with ADEM will improve their accuracy and ability to express themselves when speaking English by learning technical expressions related to their profile and sector of activity
- Reviewing and optimizing the CV and cover letter by integrating relevant expressions and vocabulary often found in Business English
- Speaking easily and with confidence in an interview and/or any business related situation

## Target audience

- Jobseekers registered with ADEM who wish to boost their English for their professional application and interview skills.

## Requirements

**Diploma :** Final diploma of secondary education (BAC) or relevant professional experiences

**Language :** Anyone who has a minimum level of B1 in English and at least a C1 level in another language (FR or DE or LU).  
Anyone who has a minimum level of B2 in English and at least a B2 level in another language (FR or DE or LU).
